

Savoil Vivre

by Savouidakis SA

Our main field of activity is olive oil! We produce, store, standardize and trade olive oil, placing it on international and domestic markets.

Our Company, keeping up with the constantly changing market trends, provides a variety of options in products of our own label as

well as private labels, while being able to respond to large order quantities in a prompt manner and with competitive prices.

Moreover, we offer a wide range of Cretan and Greek products to ensure the best possible service for our customers. The people in our company consider it their duty to fulfil our vision by providing high-quality services, and we fully comply with the rules of the food safety and quality system that we use, throughout every step of the production process. For us, high quality is the only way and satisfied customers are our reward!
